1) GUIDED TOUR OF THE TOWN (half day tour)

Our staff will guide the group through Genoa city centre and the historical medieval town (the most ancient and biggest in all Europe) and its beautiful pedestrian streets, called "Caruggi". The walk will end in a famous square called "Castelletto" from where you will enjoy a magnificent view of the town, the harbour and the roofs.

2) ACQUARIO DI GENOVA (half day tour)

The largest Aquarium in Europe!
The Acquario di Genova is a fascinating journey through the largest exhibition of biodiversity and ecosystems in Europe. You will discover 12,000 specimens belonging to 600 animal species and 200 vegetal species, but above all live a unique experience above and below the sea surface, to touch with your hands and to repeat and remember forever.
Located in the "Porto Antico" area designed by the famous architect Renzo Piano.
There are not only marine species, but also animals of rain forests or freshwater.

3) SINGING IN ITALIAN (activity in class)

Students will sing all together some Italian classic pop songs such as Azzurro by Adriano Celentano or Domenico Modugno's Volare.

It's a funny way to improve pronunciation, to learn new words and to better achieve the culture of the country.

4) PIZZA PARTY (last day of lessons)

After the last day of lessons, there will be a "pizza party" to taste Italian typical pizza!

5) CAMOGLI and SAN FRUTTUOSO (Friday: full day tour and Italian lesson "open air")

Guided full day excursion to the beautiful Camogli (fisherman village along the cost) by train with our teacher. We will reach Camogli by train and from there (where we will buy the tasty Genoese focaccia!) we will take the boat to reach the marvellous Abbey of San Fruttuoso. Between Camogli and Portofino, along the coastline of Portofino promontory rises the famous Abbey of San Fruttuoso (reachable only by walking or by the sea): a unique place, where the work of man was successfully integrated with the nature. We will visit the Cloister, the Chapter House, the Church and the tombs of the Doria and we will enjoy the spectacular scenery.
